

Let's Go That Way

Any Day in July, 2022
Anywhere in, Denmark

Where did we park the car?

It might have been that way.

But, it is probably this way....

So
...
let's
go
that
way.

Allegade 51 Horsens, Denmark is an address where Great, Great Uncle Jens Bekker (1883 – 1952) once lived. We know this because the address is stated on a travel visa issued to my great, great grandfather when he visited his brother in June of 1947.

My ancestors undoubtedly had a better sense of direction than I do.
